

EARN \$25. GIVE \$25

As a member-owned, financial co-operative, we are on your side. We remain committed to fair pricing in all economic conditions. Consider referring a friend to the credit union.

When you and a friend open a CD, we will give you and the referring member \$25. Our small way of saying thank you to you and welcome to a new member.

To find out current rates, visit www.loggerscu.com
or call us at 360-352-5033 ext. 4.

Offer good until June 30, 2020. \$25 will be deposited to the CD when the account is opened and be treated as an extraordinary dividend. Members are allowed to withdraw dividends at any time. Extraordinary dividend available only for the deposit of additional funds between \$1,000 and \$250,000. CD matures into a regularly priced CD. See loggerscu.com for current rates and corresponding Annual Percentage Yields (APY).
